

Stone Sponsorships

Dakota Curling is opening the first dedicated curling club south of the river, opening in downtown Lakeville in January 2017. We are undertaking a full interior remodel of an existing building, and will have 6 sheets of high quality ice, viewing from multiple sides of the sheet, an on-site bar, and food service.

Dakota Curling has always been a grass-roots organization, built up over the last 11 years by curlers who love curling. We are receiving no municipal financial support for this project and are relying on the generosity of our members and the larger community to help make this project a reality.

Stone Sponsorships are an important part of our funding plan.
